RADIO CLUB

## Exams & Call signs: LY0 – LY9

- License classes: A & B:
  - A class: 4, 5, or 6 character call sign
  - B class: 5 or 6 character call sign
- Special-event call signs – only to A class holders
- If the call sign is inactive for 10 or more years – same call sign can be reassigned to another person

# Exams & Call signs

- Exams are organized by the [RRT](#) (The Communications Regulatory Authority).
- Exams are held at least once per month.
- The exam is conducted remotely via MS Teams.
- Only individuals who have passed the Level B exam or hold a Class B permit are eligible to take the Level A exam.

## About the LRMD

**Lithuanian Amateur Radio Society** – Lietuvos Radijo Mėgėjų Draugija (LRMD) was founded in 1938. During the World War II, the activities were suspended, and reestablished only in 1988.

Main activities include:

- collaboration with Lithuanian authorities (RRT) to protect the amateur radio spectrum
- promoting amateur radio in schools, universities, and during public events
- operating LY QSL bureau
- hosting LY Hamfest
- promoting YOTA (Youngsters-on-the-air) activities
